

At Capstone Healthcare Estates at Veterans Memorial, we are committed to the philosophy of person-centered health care and wellness. Through this holistic approach we are able to ensure not only an advanced standard of care, but also improved quality of life that is as exceptional as the residents themselves. With compassionate care, innovative programming, and multi-disciplinary team engagement, we are able to offer a specialized therapeutic program that promotes choice, purpose, and connection in our residents' daily life.

WELLNESS AND REHABILITATION

Offering an
extensive range of
clinical capabilities.

COMPASSIONATE SKILLED NURSING

Our skilled nursing program helps those recovering from hospitalization or dealing with a decline in health. Each resident is cared for by a skilled interdisciplinary team comprised of nurses, social workers, dietitians, therapists and recreational specialists, and overseen by an attending physician. Our goal is to return individuals to their highest level of independence.

Typical skilled care services may include:

- 24-Hour Skilled Nursing Services
- Pain Management
- Hospice Care
- Respite Care
- Cardiac Care
- Dialysis Support and Transportation
- HIV/AIDS Care
- Tracheostomy Care

INDIVIDUALIZED REHABILITATION PROGRAMS

Our rehabilitation programs strive to return our residents to living their best life as quickly and safely as possible. We create an individualized plan based on needs and prior abilities. We listen and respect each resident's choices at every stage.

Typical treatments may include:

- Personalized Physical, Occupational, and Speech Therapy Programs.
- Joint, Hip, and Orthopedic Therapy
- Fall Prevention Program
- Stroke Recovery Therapy and Management
- Wound Care Management
- Dialysis Support/Transportation
- Traumatic Brain Injury Program

THE COMMUNITY

Capstone Healthcare Estates communities utilize thoughtful innovation to ensure a comfortable and inviting environment. We focus on social engagement and personal connection with our robust life enrichment program (including movie nights, spiritual groups, art therapy, book club, and bingo!).

Our amenities include:

- Restaurant-style dining
- On-site beauty salon/barber
- Transportation to medical appointments
- Multiple Common Areas
- Spacious private and semi-private rooms with cable and Wi-Fi
- Enclosed courtyard with covered pavilion
- Pet-friendly facility
- Custom in-room dining selections
- Complimentary laundry service
- Robust life enrichment program with a daily activities calendar
- State-of-the-Art Therapy Gym
- Private Rooms with Guests Accommodation
